HANAPEPE STORE SCENE OF FIGHT

Two men, one a Portuguese and the other Hawaiian, entered the store of Jose Gomez, in Hanapepe, last Friday afternoon and, it is claimed, engaged in a fight with Gomez and his clerks, during which show cases were broken and other damage done. The men were finally ejected and turned over to a policeman, who started to take them to the jail at Waimea. On the way, however, they made such pleas to Gomez that he was persuaded to drop prosecution.

Upon his return to the store, Gomez found one of the men there, much to his surprise; and he seemed in such a bellicose mood that another fight ensued. It is alleged, however, that the store man finally got the best of the argument.

The statement is made that liquor was probably at the bottom of the trouble.

Morgans To Leave

The Harold Morgans will leave Lihue early next month for Honolulu, where they have built a home. Before settling down again, however, they will make a tour in the States. Just who will succeed Mr. Morgan as assistant cashier of the Lihue Bank is not yet known, but it is presumed that someone will be sent up from Honolulu to take the place.

Tunnel Through Mountain

Last Saturday night the workmen engaged in tunneling through the mountain to connect the Grove Farm water with the ditches of Koloa Sugar Company succeeded in reaching the other side. They struck the exact spot aimed at on the Koloa side, showing that a most accurate survey had been made. Heads of the project and the men engaged on it are much elated over the success they have met with.

Telephone Complaints

This office has received numerous complaints in the past week or two concerning the telephone service at Koloa, Lawai and toward Eleele. The service to and from the large business houses of Koloa, the resident physician and the Lawai cannery is particularly bad, while farther along the line it is very little better.

Broadbents Entertain

Mr. and Mrs. E. H. W. Broadbent, Lihue, very pleasantly entertained a few acquaintances at a dance and cards last Saturday evening. Those present included: Mesdames M. Payne, R. L. Wilcox, M. Ommanney, K. M. Burke, Misses Payne, Ommanney, C. M. Mumford, K. McIntyre, L. Jordan, A. Starkweather, C. Castleman, Dora Broadbent; Messrs. G. Broadbent, C. S. Dole, F. Crawford, E. De Lacey, H. Vincent, F. Morrow, L. A. Dickey and G. Middleton.

The Ou Club of Lihue has received invitation to attend the dance of the Maile Club to be given in Eleele Hall next Saturday evening.

Deputy Sheriff W. O. Crowell, of Waimea, went to Honolulu Saturday night. He will probably return tomorrow morning.

LIHUES WALK OVER THE J. A. C. TEAM

The baseball game in Lihue park Sunday afternoon between the home team and the J. A. C. slabs was one of the finest exhibitions of the national sport seen on Kauai this season. In view of the defeat of the Makawelis by the Lihues the previous Sunday, there was a feeling in the air that the "fur would fly," so that the crowd was a very large one.

The Lihues had the best of it from the jump, when they threw the Japanese out in almost one, two, three order. The Japanese, evidently feeling a bit confident, saved their principal pitcher and put Daijiro in the box.

The Lihues scored one in the first innings and one in the third. Then the Japanese changed pitchers, putting in their famous southpaw. Before he could steady down, however, the homers got two more men over the plate, leaving the score at the beginning of the fifth innings four to a goose egg in favor of the Lihues.

The story of the remainder of the game is easily told. It was a case of "biff-bang" straight through. A wild throw by Lihue to third let a Japanese to the plate in the fifth, and in the four last innings they scored two other runs. In the meanwhile, however, the Lihues had put three men across, so that the score at the end was 7 to 3 in favor of the locals.

It must be said that the Lihues have improved wonderfully in the past month. Kuhlmann is pitching great ball, while little Malina holds him in fine shape. All of the other players have also improved wonderfully. The batting of the team is particularly heavy and effective. In fact it begins to look as though in place of being a tail-ender, the Lihue team will be the problem for the others in the second series.

The defeat of Makaweli by McBryde and the failure of the J. A. C. team at Lihue brings about a tie for the championship of the first series between the McBryde and Japanese teams.

It will be necessary to play off this tie, and the present arrangement is to have the final contest in Lihue next Sunday afternoon. When the schedule was originally made out, next Sunday was left blank, it being figured that there might be just such a tie as has taken place.

The score by innings was as follows:

	1	2	3	4	5	6	7	8	9	Total
J. A. C.	0	0	0	1	0	0	1	1	3	3
Lihue	1	0	1	2	1	0	2	0	x	7

Mrs. Faye At Home

Mrs. H. P. Faye, Miss Faye and several of the younger Faye children returned to Kekaha last Wednesday after an absence of about five years in Norway. They will return in about six weeks to Berkeley, Cal., where the children will be placed in school.

Frank Howes, of the Schuman Carriage Company, will, it is understood join the Von Hamm-Young Company. He was with the latter company when he first came to the country.

Harold W. Rice and wife arrived this morning from Maui to visit relations in Lihue.

E. E. Mahlum, of Waimea, will leave shortly for the coast, to be away a couple of months.

McBRYDES AGAIN BEST MAKAWELIS

The most that can be said for the Makawelis in the Eleele contest with the McBrydes Sunday is that they had an "off day." Surely they made lots of errors, and paid dearly for them. At no period in the game did the visitors have much show of winning out, and had it not been for carelessness of the McBrydes in the last innings, might have been shut out.

The day was a trifle warm, but otherwise ideal for playing. The crowd was not so large as that at Lihue, but it was a lively bunch and they "rooted" like good fellows.

The Makawelis were first to bat and failed to score. The McBrydes came back with three runs. After that the playing steadied down and for four and a half innings no runs were made. In the seventh the Makawelis went in the air and the McBrydes romped for four tallies.

With the defeat of the Japanese team at Lihue, the victory of McBryde over Makaweli tied the championship of the first series between the McBrydes and the J. A. C. team.

The score by innings was as follows:

	1	2	3	4	5	6	7	8	9	Total
Makaweli	0	0	0	0	0	0	0	0	3	3
McBryde	3	0	0	0	1	4	0	x	8	8

DR. YOSHIZAWA IS HURT IN ACCIDENT

Dr. J. Yoshizawa, the Japanese physician of Koloa, met with a singular auto accident on the road a few miles Lihue of Koloa Sunday afternoon, as a result of which he was temporarily "knocked out" and his machine was quite badly damaged.

Accompanied by a small boy and a man servant, the doctor was proceeding home from towards Lihue. At a point near the reservoir the auto suddenly swung out to the left and turned partly over at the side of the road.

Dr. Yoshizawa was hurt about the head and sustained other severe bruises, and the man was cut on the arm.

E. A. Knudsen came along shortly afterward in his big machine and took the injured parties to Koloa where their wounds were attended to by Dr. Waterhouse. Dr. Yoshizawa proved not to be seriously hurt and was about the following day (yesterday).

Dr. Yoshizawa was wholly unable to account for the accident. He was driving along at an ordinary speed when his machine suddenly darted to one side, and before it could be checked was off the road.

Lihue District Court

Kiimi Makanani was before Judge Dole's court, Lihue, last Wednesday on the charge of beating his wife, Mrs. K. Makanani, and after hearing was fined \$10 and costs.

On Saturday Mariano Raquinan stood trial on a charge of vagrancy, although at the end of the hearing he entered a plea of guilty. He claimed to be employed by Lihue Plantation, but the evidence showed that he had of late been a loafer around many of the camps, and was not a wage earner at all. The court gave the man three months in jail.

More Road Building

It will be seen by a notice appearing elsewhere in this issue that the belt road is shortly to be given a big boost ahead by the completion of a four-mile strip from Kilauea to Molokaa stream. About two more stretches of it will complete the macadam to Kapaa where it will join the present main road.
